Respect Life Month 2024 – From Bishop Pohlmeier

This year's Respect Life Month coincides with the final month of our efforts to defeat Amendment 4, and so our primary focus for the weeks ahead will be a spiritual and prayerful response.

For our spiritual and prayerful focus, I ask you to engage and promote a coordinated effort of fasting and praying the rosary.

I am asking each priest and invite parishioners to join the Diocese of St. Augustine to commit to fasting each Friday in October and on Election Day, Nov 5. This quote from Ezra is one of many in scripture that highlights the power of fasting.

"Then I proclaimed a fast, there by the river of Ahava, that we might humble ourselves before our God to seek from him a safe journey for ourselves, our children, and all our possessions. For I was ashamed to ask the king for troops and horsemen to protect us against enemies along the way, since we had said to the king, "The favoring hand of our God is over all who seek him, but his fierce anger is against all who forsake him." So we fasted, seeking this from our God, and it was granted." - Ezra 8:21-23

Secondly, I ask you to join in the prayer of the rosary. We have already planned a Rosary Congress with information here: <https://dosafll.com/human-life-and-dignity/rosary-congress/>. The rosary has long proved to be a powerful response to the needs of our lives and our society. This effort will lead us to the Feast of Our Lady of La Leche, which unites our Diocese with Mary under the title that has long graced our land.

We must remember that we are resisting the evil that wishes to destroy lives. We pray to engage this enemy with God's grace so that our hearts are filled with charity. We continue to love those who do not perceive God's gift of life, and we seek the ongoing conversion of each beloved soul.

STEWARDSHIP AWARENESS SUNDAY

"So out of the ground the Lord God formed every beast of the field and every bird of the air and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." (GENESIS 2:19)

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

DID YOU KNOW?

"Great is the mystery of the faith! The Church professes this mystery in the Apostles' Creed (Part One) and celebrates it in the sacramental liturgy (Part Two), so that the life of the faithful may be conformed to Christ in the Holy Spirit to the glory of God the Father (Part Three). This mystery, then, requires that the faithful believe in it, that they celebrate it, and that they live from it in a vital and personal relationship with the living and true God. This relationship is prayer" (#2558)..

STEWARDSHIP MOMENT

The phrase in today's psalm, "May you see your children's children, "is really a prayer for a long life. The good steward knows that *every day* is a gift from God to be lived with joy and thanksgiving. "May the Lord bless us all the days of our lives."

BLOOMING WITH THANKS

Thank you to the entire committee Janice Hice, Mary Granger and Regina T Murphy for hosting the 80th birthday celebration for Sister Elise. A special Kudos to Regina for clearing the walkway from the hall to the church after the storm, Helene. There were several limbs down and pine cones on the sidewalk and she took it upon herself to keep everyone safe.

CONFIRMATION 5 - NEEDS YOUR HELP!

This year's confirmation class of five students are looking for mentors and prayer warriors. Throughout the year the five students may approach you to learn about your faith journey or ask for prayer. If you are interested in being contacted by a student to offer faith advice, please sign the log sheet in the back of the church. There is no cost and whatever time you can give will be greatly appreciated. At the end of this year, they are expected to understand the church teachings, participate in acting out the teachings of the church, and contribute back to their home church in some form of service. The goal is to grow their connections with other role model Catholics in St. Pius. Thank you in advance for helping us make this sacrament unforgettable for these young five Catholics.
